**STATUS REPORT**

On February 17, 2020, the Court ordered U.S. Immigration and Customs Enforcement (ICE) to submit a status report regarding ICE’s position on whether, and under what circumstances, ICE would defer Plaintiff’s removal. At this time, ICE cannot assure the Court that it will defer Plaintiff’s removal for any amount of time because Plaintiff does not have a final order of removal and because Plaintiff is likely to post bond in the near future.

On February 19, 2020, the immigration court granted Plaintiff a \$25,000 bond. If Plaintiff posts bond, Plaintiff will no longer be in ICE’s custody and will have the opportunity to demonstrate that he meets the guidelines for Deferred Action for Childhood Arrivals (DACA) consideration. Nonetheless, if Plaintiff fails to post bond and remains detained—and assuming Plaintiff is ultimately subject to a final order of removal and does not receive a stay of removal—ICE will provide Plaintiff’s counsel with 72 hours’ notice before ICE removes Plaintiff. If Plaintiff is not detained and a final order of removal is issued, ICE will generally provide Plaintiff with written notice to report to ICE for removal within 30 days.

Respectfully submitted,

JOSEPH H. HUNT  
Assistant Attorney General
